Data Scientist

I am a self-starting Data Scientist with a background in marketing. My resourceful and inquisitive nature allows me to view problems from many angles and develop a creative solution that might not always be obvious. Complex problems can have simple solutions, simple problems can have complex solutions, and I embrace the challenge to resolve these problems.

Skills

Technical: Python; R; SQL; Machine Learning; RegEx; SPSS Statistics; HTML; CSS; Xara; Adobe Creative; Suite Microsoft Suite
Core: Problem Solving, Analytical, Resourceful, Dependable, Articulate
